(Courtesy of [www.30BooksBibleGame.com](http://www.30BooksBibleGame.com))

Well how did you do?

How many did you find?

Was it many or just a few?

Here's the Answers in **bold underline**.

Someone showed me this story and remarked that there are **20 books of the Bible** hidden here. He challenged me to find them. Sure enough they're all here. Still this thing's a lulu; kept me **looking so** hard for the longest time. Some of you will get bogged down with **facts**, others are hit by them like they were some kind of **revelation** or something. You may get in a **jam**, especially since the names are not capitalized and often leap the spaces between the words. This makes it a real **job** to find them, but it'll provide **a most** fascinating few minutes for you. **Yes, there** are some really easy ones to spot, but don't get the big head, cause **truthfully**, you'll soon figure that it would take most federal **judges** and preachers **numbers** of hours to find them all. I will admit that **it usually** takes a minister to find one of them and that it is not uncommon for there to be loud **lamentations** when it is pointed out. One lady says that when she is confronted with puzzles like this, **she brews** a cup of tea to help her concentrate better, but then, this **gal's** a real **pro!** **Verbs**, nouns, and all that stuff are her thing. See how well you can **compete**. **Relax!** There really are **twenty names of Bible books** in this story. If you fail to find them, there's a penalty. You'll have to fly a kite, sit on a **banana**, **hum** the battle hymn of the republic, or **hose a** dog (a mean one). Get to it!

Answers:
